AG SHOOT OUT
550 AM

**Tuesday November 08,
2016**

**KFRM's Ag Market Shoot
Out is celebrating 10 years!**

The advice from our nationally recognized group of market advisors has proven to be sought after and respected. Come watch as, starting at 5:30p.m., Joe Vaclavk, Pete Loewen, Derrick Hennesch, Tom Leffler, and Mark Gold shoot it out, and discuss major topics related to current farm prices.

Kyle Bauer will, again, personally supervise the purchase and construction of the extremely disappointing ham sandwiches being served before the discussion begins. Service begins at 5:00p.m. Tickets must be purchased prior to the Shoot out.
